

Siuslaw Vision Partnership with _____

Contact/email: _____

Siuslaw Vision is a grassroots, community-led effort to better these places we call home. We collaborate with Siuslaw residents and groups to help them achieve their dreams. The Vision includes a broad list of interests: jobs and economic development, health and human services, education, infrastructure and public services, arts and culture, and recreation and the environment.

The Siuslaw Vision Team sustains its work through partnerships with community organizations, individual supporters, and grant funding support.

How will you and your organization be part of Siuslaw Vision?

How can the Vision support your organization or business?

- Make introductions or referrals to partners
- Make referrals to resources
- Make referrals to services such as grant writing, accounting, legal counsel, strategic planning, human resources, fiscal sponsorship, etc.
- Provide ideas and referrals for IT solutions (survey tools, virtual meetings, collaboration tools, etc.)
- Assist with community engagement for your organization or project
- Facilitate Learning Exchanges, networking groups
- Assist in creating coalitions and collaborations around specific topics (i.e., housing, DEI, arts)
- Help plan community or committee meetings or events
- Serve as a rural liaison/connection between your organization and the Siuslaw region (help set up meetings, distribute info, make partner connections)
- Represent your organization/business at regional meetings/events
- Organize training to build your organization's capacity (board development, diversity, equity, and inclusion, etc.)
- Share your volunteer opportunities through social media, publications, word-of-mouth, etc.
- Co-branding for marketing
 - Social media post sharing
 - Put your logo on RiverCal website partnership or project pages
- Distribute press releases/PSAs through Siuslaw Vision website
- Publish events on RiverCal community calendar
- Share your organization's service info or project on Siuslaw Vision website
- Write a letter of support for Vision-related projects
- Other: _____ More info attached
